Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner and applicant's representative discussed claims 12, 23, 32 and 38 to amend. Examiner proposed claims amendment by suggesting allowable subject matter. The allowable subject matter is "to determine a code word on the basis of an original and the limited number of bits in the pixel in such way that the code word length does not exceed  $N-(M-1)$  where M corresponds to the limited number of bits and N corresponds to the original number of bits, and" and on January 04, 2010 discussed with applicant's representative to amend claims 28 and 30.
